

Boleyn drive
My West Molesey Childhood

NO
DATE

my west Molesey childhood only lasted
3 1/2 years. From December 14th, 1954, when
we moved there, until summer 58, when
we left junior school, ~~and~~ I went to
grammar school. Life, ^{for the most part} ~~apart~~ from school,
centred ~~out~~ around these 500 yds of concrete
known as Boleyn drive. There were quite
a lot of us - me at no 16, the
Metcalfs, Margaret, Ann, Lesley and their brother
who were much older, at 24,
Tom Hammerton at 28, Geoff Piggan
at 32, ^{Howard Stout,} ~~Michael~~ ^{living} on the other
side, ^{but we didn't see - I think -} the Mores, Linda, Ann, Tony, plus
the elder sisters opposite Tom's, the
Milnes or Milners, Tony and his sister in
the dirty house, but they moved
away, and Brian Collier, but he was
older than us. Then there was

who
didn't
know
-
father

GLASTONBURY

Glastonbury from the ^{conce} ~~Hurst~~ Road, his MOTHER
~~mother~~ used to cut our hair for a 1/- USED
but that was the Hurst Red. And
the kids from Berkeley (drive) - Vernon, Peter,
& Sonny Bentley, Derek Chiggs who
had a younger brother & whose father was
a policeman, somebody called Bernard
who I used to get mixed up with
Bernard, and 2 Alder boys I didn't
~~like~~ who came later. to one
was thin & called Henry & I
didn't like him.

Doreen, Ann, Tom, Howard, Peter Bailey &
Derek Chiggs & me were all in
the same class. Jeff and Madal
Kippity & M. M. were just a year /
2 Alder.
